

Project PENCILS - 2022

Pencils Erasers Notebooks Crayons for Individual Learning Success

Back to school time can be costly for many families. This is where **Project PENCILS** can help! Have you submitted and received an approved application for free and reduced lunches during the 2022/2023 school year, and is your child a student in the Hudson Community School District PreK-12th Grade? If yes to both questions, your child is eligible to receive a free School Supply Package from Project PENCILS.

Each School Supply Package will include most of the needed school supplies that the school recommends for your child's grade; items having to do with studies. CCOH may not be able to supply classroom required items, such as tissues, hand sanitizer, baggies, etc. Supplies will be ready for pick up at the church (226 Eldora Road) from 8:00-10:00 am or 6:00-7:00 pm on **Tuesday, August 16th** in time for your child to begin school.

To receive a bag from Project PENCILS, please fill out & return the form below. The **Deadline** is **Wednesday, August 3rd**. Please include an email address. We will let you know that we received your application, and are filling a bag for your child. **Please return to: Project PENCILS, PO Box 60, Hudson, IA 50643, drop off at the church or email to office@ccohonline.org**
